

Workshop: National-level gender and environment statistics

14-15 February 2018

Vientiane, Lao PDR

Molly Gilligan

Workshop objectives and expected outcomes

- To foster discussion on gender-environment statistics at national level in Lao PDR
- Cross-sectoral knowledge sharing
- Anticipated outputs of the workshop will be enhanced understanding of participants on the gender-environment linkages, as well as the gender-environment-data linkages; identification of opportunities for enhanced data collection and application; and recommendations for capacity building or other necessary next steps.
